#### **Developing our Vision Statement**

Every School Improvement Team member has received a document from Tammy through Google Docs. Each team member will write a paragraph describing their “dream school.” Just add your paragraph to the document and it will be used to develop our vision statement at the next meeting date. Please do not change or erase anyone else’s paragraph. If anyone that is not on the team would like to contribute to creating the vision statement, please contact a SI team member and share your thoughts on what our ideal school looks like in 5 years.

#### **Establishing goals**

What data should we be analyzing to improve our school? Bring a list of what data you may have and we can decide at the next meeting what to analyze to establish the goals for our school improvement plan.

#### **District Unity**

Social Events -- The General Education department and Bay Middle College will coordinate the October/November Social Event. Further information will be sent via email.

**Next meeting date: October 18, 2012 at 2:30 p.m. ISD Board Room**
