## **TUTOR DIRECTORY – June 2023**

At the request of parents, this directory is compiled by the Delta-Schoolcraft ISD in cooperation with the local school district. It is offered to interested individuals who wish to hire private tutors for their children.

Persons providing tutorial services operate as independent agents and provide services consistent with the local board of education policies. Listing here does not require the person to hold teacher certification. Inquiry about credentials when contacting tutors is appropriate and recommended.

All tutorial services are provided after school hours and contact with tutors will be at their home phone. The rate of pay may vary significantly from one tutor to another.

This directory will be updated on an annual basis and distributed to local school administrators, interested parents, and teachers listed in the directory.

Tutors are listed alphabetically with their preferences for student age, subject matter, and area of availability noted.

Listing here does not constitute an endorsement by the ISD of the tutors listed. For questions, comments or additional copies contact the special education office at (906) 786-9300.

Delta-Schoolcraft ISD is an equal opportunity employer and will not discriminate on the basis of religion, race, color, national origin, age, gender, marital status, height, weight, arrest record, or disability. Persons denied equal opportunity based on these conditions may file a complaint with the Delta-Schoolcraft Compliance Coordinator and/or the Michigan Civil Rights Commission, Lansing, Michigan.
